

2020 Australian Museum Eureka Prizes

Assessor Report Template

Instructions

1. Who should complete this template report?

- *This template is for people providing an Assessor Report for a 2020 Australian Museum (AM) Eureka Prize.*
- *An Assessor should be a colleague, industry expert, peer or mentor who is familiar with the activity being entered for a 2020 AM Eureka Prize (but not directly involved in it). The Assessor should be able to provide the AM Eureka Prize judges with additional perspective and an informed opinion on the entry.*

2. What information should appear in this report?

- *The Assessor should respond to the statements on the following page. The judging panel will have access to additional entry materials including a summary of work from the entrant/s and the CVs of the entrant/s so Assessors should focus on their experience and knowledge of the entered work as it relates to the Assessment Criteria.*
- *For information about the Assessment Criteria for each 2020 AM Eureka Prize please visit: australianmuseum.net.au/eureka*

3. Formatting guidelines

- *Please save and submit the completed report as a word or .pdf document. Please do not print and scan the report.*
- *Reports should be a maximum of two (2) typed pages in length (not including these instructions).*
- *Please do not adjust the margins or font size of this template.*

4. Submission guidelines

- *Please return the completed Assessor Report to the AM Eureka Prize entrant.*
- *Please delete these instructions before submitting your report.*
