

# 2021 Department of Industry, Science, Energy and Resources Eureka Prize for Innovation in Citizen Science

## Testimonial Template

*Note to AM Eureka Prize entrant: If you plan to invite someone who may require assistance to complete this Testimonial Template (due to their age, first language etc.) please contact the Australian Museum Eureka Prizes team via [eureka@australian.museum](mailto:eureka@australian.museum) for additional guidance.*

### Guidelines

- *You have been invited to write a testimonial based on your involvement with a citizen science project. There are no right or wrong comments to include. Please respond to the three statements on the following page, to the best of your knowledge.*
- *Your testimonial will help the AM Eureka Prize judges better understand the project.*
- *The judging panel will have access to additional entry materials including a summary of work from the entrant/s and the CVs of the entrant/s so please focus on your personal experience and knowledge of the citizen science project.*
- *Please use the current formatting i.e. 2cm margins and size 11 font.*
- *The testimonial should be a maximum of two typed pages.*
- *Insert a digitised copy of your physical signature. Do not type your name.*
- *Please delete these guidelines before submitting your testimonial.*

Dear Eureka Prize for Innovation in Citizen Science Judging Panel,

Here is a description of how I am involved with the citizen science project:

Here is a description of my general experiences with the citizen science project:

Here is a description of how the citizen science project has had an impact on me:
