

## 2024 Australian Museum Eureka Prizes

### Response to assessment criteria template – Research & Innovation prizes

*Delete the below instructions before submitting this document.*

#### Instructions

1. **Who must complete this template?**

- This template must be completed by the entrant or nominator preparing a submission for any of the Australian Museum Eureka Prizes offered under the [Research and Innovation category](#).

2. **What information must be included?**

- A statement by the nominator or entrant on how the activity entered addresses the assessment criteria. Key dates (month and year) must be included to demonstrate that the activity entered has been undertaken within the required timeframe.
- To view the assessment criteria and required timeframe for each prize, visit [australian.museum/get-involved/eureka-prizes/enter/](http://australian.museum/get-involved/eureka-prizes/enter/).

3. **Formatting guidelines**

- The response to assessment criteria can be a maximum of two typed pages.
- Do not adjust the margins or font size of this template.

4. **Submission guidelines**

- Save the completed template as a .pdf document and upload to your online entry form.
